of the future

Liveoln

Online symposium

Monday 28 September 🕒 **4 to 5.30pm (UK time)**

BOOK YOUR FREE PLACE HERE: <https://tinyurl.com/y6jtovfk>

An online symposium unpacking the value of cross disciplinary research with a focus on Antarctica's precarious role in the earth's climate system. With presentations from:
Ken Arnold (Wellcome Collection)
Prem Gill (British Antarctic Survey, WWF)
Camilla Nichol (UK Antarctic Heritage Trust)
Lucy Orta (founder of the 'Antarctica World Passport')

Research at the intersections of art and science, a conversation with artist Josefina Nelimarkka

Tuesday 29 September 🕒 **12pm**

WATCH HERE: <https://mansionsofthefuture.org/events/research-at-the-intersections-of-art-and-science/>

A pre-recorded video conversation between artist Josefina Nelimarkka and curator Linda Rocco on research practices at the intersection of art and science. Edited with past documentation and fragments from interactive works, the conversation touches on issues of climate awareness and the power of art to make the invisible, visible.

Rhine Bernardino: *On Board, on Zoom*

Wednesday 30 September

A focused discussion session with Lincoln-based artists exploring scenarios and expectations in a floating society. The outcomes of the session will be shared with the public on our website and social media channel.

Aidan Moesby in conversation with Prof Thomas Dixon:

I was naked, smelling of rain

Thursday 1 October 2020  6.30 to 8pm (UK time)

BOOK YOUR FREE PLACE HERE: <https://tinyurl.com/yxfte3ul>

A Livestream discussion between artist Aidan Moesby and Prof. Thomas Dixon followed by the screening of a BSL interpreted version of 'I was naked, smelling of rain' – a performance piece exploring the impact of the external physical and social weather on our internal mental health and wellbeing.

Lula Mebrahtu (Lula.xyz): *I'm Migrant*

Saturday 3 October  4 to 5pm (UK time)

BOOK YOUR FREE PLACE HERE: <https://tinyurl.com/y63ub5oy>

Lula Mebrahtu is amongst a handful of musicians leading the way for the evolution of music using an interactive midi controller, MiMu gloves, which translate simple hand movements into complex musical compositions. Join us for an AfroFuturistic journey, passing through Antarctica to an unknown destination. Children Welcome!

Access Information:

Celsius programme will try to be as accessible as possible, though we recognize this will be challenging with the resources available.

Audio files with artists' biographies and events descriptions will be available to download on the website.

All pre-recorded videos will be streamed with subtitles. Livestreamed events will be delivered using Zoom Webinar and will require the audience to sign up to Eventbrite in order to receive the link to the Livestream. Videos can be paused for toilet breaks and rest breaks only when not Livestreamed. The livestreamed video will be available to watch with subtitles 3 days after the live event.

For inquiries or assistance in the booking process, please email info@mansionsofthefuture.org or call **07482079208**
